Copies of **Verifiable Receipts** for this Maintenance/Inspection and a corresponding **Voucher** must be mailed or uploaded to the **Warrantor** within 30 days of the inspection date. If mailed, the postmark must be within 30 days of the inspection date. **We** suggest sending all paperwork via registered mail to ensure delivery. Mail all documents to: 6834 S. University Blvd., #101, Centennial, CO 80122. Or, go to [www.rvwarrantyforlife.com/Inspection](http://www.rvwarrantyforlife.com/Inspection) to upload your **Verifiable Receipts** and this **Voucher**.

All Maintenance/Inspection must be performed by a licensed **Repair Facility** and show the date, RV description and a complete description of services performed. This does not replace **Your** manufacturer's suggested maintenance protocols. Please follow any additional maintenance from **Your** manufacturer.

1-4 Towables  
1-5 Motorized

1. **Axles and hub** – inspect and lube where necessary.
2. **Roof** – inspect roof and seal when necessary.
3. **Hot water heater** – Flush holding tank, manually operate pressure temperature relief valve, clean burner tube (following manufacturer's procedures) as necessary.
4. **Furnace** – clean blower, combustion chamber, control compartment, remove any dust, lint obstructions, etc. as necessary, test gas line for leaks and replace filter – if equipped. **This does not need to be done at the 1<sup>st</sup> 10 month inspection. It must be done on all subsequent inspections.**
5. **Suspension (motorhomes only)** – Lubricate where necessary. Grease front and rear suspension components, including, but not limited to, axle bearings, tie rods, control arms and brake camshaft brackets.

Additional **Vouchers** may be obtained by going to [www.rvwarrantyforlife.com](http://www.rvwarrantyforlife.com)
